# COMPANY PROFILE

## 企业简介

Dear valued customers, welcome to Waybom Aluminum! We are a professional manufacturer of high-quality aluminum profiles for interior and exterior doors, with over 15 years of experience in the industry.

We specialize in producing aluminum profiles for a range of door types, including bi-folding doors, sliding doors, swing doors. At Waybom Aluminum, we understand the importance of having everything in one place, that's why we supply all related hardware to ensure that you can get everything you need from us.

Our state-of-the-art facility includes our own aluminum extruding lines and powder coating workshop, which allows us to ensure that each order is of the same color and design. We also have more than 5000 tons of stock available, which means that we can supply any quantity without a MOQ. For products in stock, we can deliver in just 7 days.

At Waybom Aluminum, we are committed to providing our customers with customized solutions that meet their unique design requirements. Our team of experts can work with you to create custom solutions according to your specific needs.

We also have an R&D department that ensures we have the newest designs in the market. Whether you are a distributor or fabricator, you can count on us to provide you with all the support you need.

Thank you for considering Waybom Aluminum for your aluminum profile and hardware needs. We look forward to working with you and providing you with the highest quality products and services.
